Thank you for visiting our website! We are a family owned and operated facility located in southwest Missouri.

We have been raising beautiful, healthy Bulldogs since 1995 and it gives us great pleasure to share the results of our breeding program with you.

None of our dogs have been imported from another country - they are all US born and raised. The parents of the puppies that we have to offer have been kept back out of the best of our own bloodlines and we have several generations back on most of our puppies right here at our home.

You can see some of our gorgeous bullies we have available by checking out our [AVAILABLE PUPPIES](#) page. We take great pride in the disposition as well as the conformation of our dogs. It has been our constant goal to improve the breed in any way we can.

We want our dogs to take you anywhere you want to go; whether that be in your home with your family or in competition in the show ring. Don't forget to take a look at some of our agility competitors on our achievements page!

We are very proud of them and their titles! Thank you for your interest in our Bulldogs
